ADDRESS 2936 E. BARTON

2936 E. Barton

Investigation Results

On 10-16-91 (3:00 P.M.) An inspection of the Area was made. Contact was made with Wilbert Vault. The Cattle Crossing was set up along with a section of fence on each side, so a professional photographer could photograph it for a Catalogue or to be used in a display. It will be removed when the proofs are back. Therefore, this complaint was unfounded.

Gene Pabst.
